

**The Alberta Invasive Plants Council presents:**

**2012 Southern Alberta Invasive Plant Seminar**

**Where:** Picture Butte Community Centre

**When:** Thursday, February 16, 2012 9:00am – 3:00 pm

**Cost:** \$ 15.00 at the door (Cash or Cheque)

**Speakers:**

Dave Burch - Montana State Weed Coordinator

Dr. Jane Mangold - Assistant Professor and Extension Invasive Plant Specialist,  
Montana State University.

Kelly Cooley - AIPC Project Lead, EDDMapS Alberta, and Environmental  
Consultant, CoolPro Solutions

**Agenda:**

8:30: Registration

9:00: Opening Remarks

9:10: Dave Burch – “The key to successful Spotted knapweed control = 25  
years and a few million dollars.”

Montana’s success is based on some very special programs and the  
Montana Noxious Weed Trust Fund.

10:10: Break

- 10:30: Dr. Jane Mangold - "Managing Cheatgrass (*Bromus tectorum*) on Rangeland"
- 11:30: Panel: Dave Burch and Dr Jane Mangold –  
Q & A - Montana programs and potential for Alberta-Montana cooperation
- 12:00: Lunch provided
- 1:00: Kelly Cooley – EDDMapS Alberta
- 1:45: Dave Burch – "Russian olive vs Salt cedar vs Yellowflag iris vs Flowering rush vs Eurasian Watermilfoil....which one will win?" So many questions and so few answers!  
Montana's approach.
- 2:45: Feedback & Closing Remarks
