

# National Invasive Species Forum

**Forum:** February 28<sup>th</sup> and 29<sup>th</sup>, 2012 **Workshop:** March 1<sup>st</sup>, 2012  
**Delta Ottawa Hotel & Suites**

This forum aims to share knowledge on invasive species information and programs across Canada especially related to **prevention**, **early response** and **collaboration**.

Speakers from government and non-government will provide overviews on effective prevention and early response initiatives, regulatory and policy tools, national collaborations, and more.

This forum is organized by a multi-party National Forum Advisory Committee supported by the National Invasive Species Working Group, representing invasive species councils across Canada.

**Watch for a full agenda by February 17<sup>th</sup>!**
